

Hello

Blue Earth Diagnostics believes that accurate and appropriate billing and reimbursement processes and guidelines can help facilitate patient access to Axumin as prescribed.

Within this Reimbursement Resource Guide, we provide background information to support the benefits investigation, prior authorization, and claims submission processes.

In this guide you will find:

- › Axumin Full Prescribing Information
 - › Axumin Coding and Coverage Information
 - › Introduction to Reimbursement Support Program
 - › Patient Benefit Investigation Form
 - › Prior Authorization Checklist
 - › Sample Claim Forms
-

Your Blue Earth Diagnostics Field Reimbursement Specialist is available to review information about local and national payer coverage requirements and to answer any other reimbursement-related questions.

Thank you for your interest in Blue Earth Diagnostics and Axumin.
